★ STAR SIGNALS ★

BIG NEWS!

***** Yahoo! A lot has been happening since our last Star Signals. So, sit back while I fill you in on the news...

Every day editors Sid Jacobson and Larry Hama receive a few sacks full of mail about **Comics**. It's real obvious that you like it! You've **read** so far... but you want more! Almost every letter you've written contains a request for still another Star title. Well, you're the boss! Sid, Larry and I are proud to announce the addition of... not one... not two... but three brand-new super-Star **Comics**!

THE CARE BEARS ARE COMING!

***** A few months ago, I you to write and tell which characters you'd most like to see join our Star line-up.

The number one choice the Care Bears! Tenderheart Bear, Cheer Bear, Love-a-lot and all the rest of those wonderful characters from Care-a-lot soon be here in their very own Star Comic. The very issue will be written and drawn by Howie Post (whose work you've already seen in *Wally the Wizard* and *Strawberry Shortcake*). Trust me... you won't want to miss it! (By the way, I'm you've seen the Care Bear Movie four or five times already... just like I did. My favorite parts were when we met the Care Bear Cousins for the first time, and, of course, the Care Bear! What did you about it?)

BEWARE... THE THUNDERCATS!

***** From beyond any known

galaxy, bringing with them laws and their doomed planet, Thundera... the Thundercats — JAGA the wise, TYGRA the invisible, CHEETARA the Quick, WILLYKAT and WILYKIT the cunning junior duo, PANTHRO the deadly, MUMU the doomsayer — who are all sworn to their young lord, LION-O, and instruct him in secrets of his mystic *Sword of Omens*, which is the source of the Thundercats' power!

If you've already seen the hit television movie which tells the origin of Thundercats, you know why I'm so... If you haven't — don't worry — you'll be to catch them every day in their thrilling new animated series which begins this September! (And, keep your eyes open; I'm sure the very first Thundercats movie will be shown again before the summer is out! You might want to catch it a second time. I know I do!)

DROIDS... featuring R2D2 and C-3PO

***** Everybody knows R2D2 and C-3PO of Star Wars fame. Well, starting September, they'll be appearing in an all-new, weekly, animated television show... Droids! They'll be starting in their very own comic from Star! The stories will be their before they met Princess Leia, Luke Skywalker. You'll meet some of their former owners, and see them face villains, rescue people in trouble and battle enemy spaceships! (If you're interested in their adventures after they

and Leia, you might want to pick up the *Star Wars* comic book is published by Marvel!)

NEW EDITORS!

***** To help produce these new comics, we've enlisted of two new editors... Merry Mike Carlin (who will be working on *Thundercats*) and Dashing Denny O'Neil (who will take over *Wally the Wizard*, so that Sid Jacobson will be free to edit *Droids*). Sid will also be doing *Care Bears*.

Well... aboard, Mike and Denny! You're real super-Stars now!

CONGRATULATIONS ARE IN ORDER!

***** I leave, I want to share one very special bit of news with you... Sid Jacobson's new novel, *STREETS OF GOLD*, will be published by Pocket Books. It should be appearing in all of your classic bookstores in June or early July. We at Star Comics... this is one novel that's guaranteed to top the best-seller lists, and we're all real proud of it! We wish him the best of luck... and we know that you do, too! (We hope that we can convince him to write an Star comic book for us. He's good at that, too!)

Until next month...

Thanks for being there!
